

homeowner *wish list*

Greater Indy Habitat appreciates your efforts to make homeownership a reality for our families. While additional gifts to the homeowner are not required nor expected, we occasionally receive requests about a housewarming present to provide at the dedication. We have put together this wish list to help you with ideas if that is something you would like to do! Please don't feel like you need to purchase every item within a category. If you are interested in making a larger purchase, please consider asking a small group to help. You are welcome to select from the options below or come up with your own!

Before you make your purchase...

For the larger items starred below, please contact Amy Donhardt at adonhardt@indyhabitat.org first to confirm that those items haven't been purchased yet. Please include a receipt, if possible!
