For more than a decade the #IndyWomenBuild has annually brought together hundreds of women to build homes for Habitat Homebuyers and their families. This year we are working to raise \$350,000 to build homes for two Habitat homebuyers and their families. This mission is incredibly important to me, and I would love to ask for your support. Please consider a donation to help me reach my goal and to create more affordable housing in Indianapolis. Click here to donate to my personal fundraising page: [INSERT YOUR FUNDRAISING LINK.](#)”
