

Program Coordinator
Homeownership
Reports to: Habitat Program Manager
FLSA Status: Exempt
Full-Time

2026
Job
Description

POSITION OVERVIEW

The **Program Coordinator** serves as the **first point of contact** for all individuals exploring Habitat's Homeownership Program. This position proactively manages inquiries, provides initial program education, and plays a critical role in recruiting prospective partner families.

The Program Coordinator ensures that every interested household receives timely, accurate information through a 1-1 phone call and guides interested people into the appropriate next step—towards homeownership—whether that is attending a workshop, being referred to an outside partner, Road to Readiness or moving directly into the application pipeline. The Program Coordinator will carry out the work while exemplifying the Indy Habitat values.

ESSENTIAL FUNCTIONS

(Primary duties; other responsibilities may be assigned.)

Front-Line Customer Engagement

- Serve as the **primary point of contact** for all program inquiries via phone, email, voicemail, in-person visits, walk-ins, and follow-ups with recently declined applicants.
- Works to ensure that the weekly goals are met for 1-1 meetings with interested people. To ensure goals are met, this position will need to proactively reach out to leads that have completed the information session and also provide reminders for scheduled meetings.
- Provide clear, accurate information about Habitat's Homeownership Program, future areas of building, eligibility criteria, readiness expectations, and next steps.
- Ensure each prospect is triaged appropriately—into readiness counseling, an information session, follow-up communication, or application consideration.

Outreach and Community Connection

- Represent the Homeownership Department at outreach events and neighborhood based activities. These events are often on evenings and weekends and require flexibility.
- Promote and host information sessions about first time homeownership to cultivate interest in the Habitat program and to support goals for 1-1 meetings.
